The fun starts at 11am!

Join Flat Top Grill in supporting Early Childhood Alliance and their mission to build better futures for young children by promoting and providing excellence in early childhood care and education. **Show this flyer to your server and Flat Top Grill will donate 15% of sales to Early Childhood Alliance**

The funds raised will go towards supporting their USDA Child and Adult Care Food Program. This program helps to ensure all children have access to nutritional meals and snacks while receiving care.
